Bucyrus City School District  
School Parent Involvement Plan  
2017-2018**

We are committed to a quality educational program that values parental involvement. We recognize that parents play a very important role in their children's education and take every opportunity to foster the relationship between school, parent, and child. Bucyrus Secondary prides itself in our dedication to our students, families, community, and to lifelong learning

Bucyrus Secondary School recognizes that:

- A child's education is a responsibility shared by the school and family during the entire time the child spends in school.
- To support the goal of the school to educate all students effectively, the school and parents must work as knowledgeable partners.
- Although parents are diverse in culture, language, and needs, they are an integral component of a school's ability to provide for the educational success of their children.
